

KRUSIN' KANINES DOG AGILITY CLUB

Wow. I'm kind of getting the hang of this game. My dog has really caught on to doing the obstacles. Well maybe other than those weave poles. Still need practice there. Where do I want to go from here. There are no more training classes to attend. I now have to decide if I want to continue this game of agility. It would really be a shame to give this all up. Do I want to compete at trials? That is a scary thought. Do I want to do it for the fun of it? My dog has really taken a liking to this and we have really formed a better bond together. We are both having fun. I have to become a Kruisin Kanines member to continue training. What's that all about? How do I join?

To become a Kruisin' Kanines member you must:

1. Obtain a Membership Application from the box on the table in the barn or request a form from the Membership Committee; Peg Antrobus or from any instructor.
2. Complete the Membership Application and obtain two sponsor signatures. Any Kruisin Member can sign as a sponsor.
3. Have the completed Membership Application with Sponsor signatures and your remittance check presented to Peg Antrobus prior to your first reading.

Once your Membership Application has been submitted, you will need to attend one of the monthly General Meetings, at which time the Application will be read to the General Membership. One or both of your sponsors must be present at the membership meeting. At the following meeting, the applicant will not be present, but the sponsors must attend in person or by proxy to speak for the applicant. The members will then vote on the applicant.

This process must be done within six months from the application date. A favorable vote consists of 75% of the members present.

Once your application has been approved, you are considered an Active Member for that six month period. You will be presented with a Club Shirt and Policies and Procedures Manual.

In order to remain an Active Member, you must:

1. Pay applicable yearly membership dues
2. Not be in debt to the club. Dues and training fees are considered a debt.
3. Attend at least two General Membership Meetings in each half of each year (January- June, July to December)

Benefits of Membership

1. Added to distribution list to receive TEETER TALES, the Kruisin' monthly newsletter.
2. Voting privileges on club matters.
3. Ability to attend classes and training sessions at reduced rates.
4. Invitations to club functions and activities at a reduced and/or no rate. (Banquet and Picnic)
5. Eligible to join or chair club committees.
6. Included in Kruisin Yahoo Group to communicate with fellow members and access to pertinent Kruisin files.
