Miscellaneous Information:

- DO NOT risk a Q, if your dog needs to be measured, make sure to do so before running or you may not get credit for your run. Please arrive early if your dog needs to be measured.
- On your confirmation if Yes is marked to the right of “Needs To Be Measured” then you indicated on your entry that your dog needs to be measured or omitted this information.
- On your confirmation, if No is marked to the right of “Needs To Be Measured”, it means you checked that your dog does not need to be measured. It is up to you to know if your dog needs to be measured. (see AKC’s website for the full AKC Agility Jump Height Card Policy and Measuring Procedure Guidelines at: <http://www.akc.org/sports/agility/exhibitor-resources/jump-height-card/>)
- If you are running multiple dogs and your dogs have been inadvertently placed uncomfortably close in the running order, please notify the gate steward at the beginning of your class so it can be corrected..
- The trial site is open to exhibitors from 6:30 am each day, until 1 hour after the close of the trial each day.
- Exhibitors failing to clean up after their dogs may be excused from the trial without a refund.
- POND – There is a pond on site, but please keep in mind that standing water may harbor disease-causing organisms. As a safety precaution, please do not allow your dogs to swim in the pond.
- TICKS – The area is farmland and woods. Measures for tick prevention are strongly suggested.
- RVs – **There is NO RV parking or camping on site.**
- Food – **There will be no food. Please plan accordingly.**
- Since there will not be any spectator viewing at this trial, we plan on having the runs videoed through Facebook Live so everyone can see the runs on their phone or tablet.

This schedule is an approximation of times. **DO NOT** depend on it to schedule your day! The Judges and Kruisin' Kanines will not be held responsible for any times other than the start time for the trial each day! At the Novice level, the A & B classes will run concurrently. At all levels the preferred class will run concurrently with the regular class. The number of preferred class runs are included in the totals. PLEASE NOTE: Preliminary running order is contingent on move up entries not yet received. The judge's briefings will only be at the beginning of each class – not before each jump height. Walk-thrus may be split at the judge's discretion. If you are running multiple dogs and your dogs have been inadvertently placed uncomfortably close in the running order, please notify the gate steward at the beginning of your class so it can be corrected.
